## A BILL

To authorize the Secretary of Health and Human Services to establish a grant program to promote comprehensive mental health and suicide prevention efforts in high schools, and for other purposes.

1       *Be it enacted by the Senate and House of Representa-  
2       tives of the United States of America in Congress assembled,*

3       **SECTION 1. SHORT TITLE.**

4       This Act may be cited as the “Youth Mental Health  
5       and Suicide Prevention Act of 2021”.

1     **SEC. 2. COORDINATED PROMOTION OF HIGH SCHOOL COM-**  
2                 **PREHENSIVE MENTAL HEALTH AND SUICIDE**  
3                 **PREVENTION PLANS.**

4         (a) IN GENERAL.—The Secretary, acting through the  
5     Director of the Center for Mental Health Services of the  
6     Substance Abuse and Mental Health Services Administra-  
7     tion, may carry out a program to award grants, on a com-  
8     petitive basis, to eligible entities to enhance services for  
9     high school students with mental health and behavioral  
10    health issues that can lead to school failure, including de-  
11    pression, substance abuse, and suicide attempts.

12         (b) APPLICATION.—To be eligible for a grant under  
13    this section, an eligible entity shall submit to the Secretary  
14    an application in such form, at such time, and containing  
15    such information as the Secretary determines appropriate,  
16    including, at a minimum—

17                 (1) a description of identified mental health and  
18     behavioral health needs of high school students  
19     served by such eligible entity;

20                 (2) a description of existing Federal, State,  
21     local, private, and institutional resources available to  
22     address the needs described in paragraph (1);

23                 (3) a description of the outreach strategies of  
24     such eligible entity to promote access to services, in-  
25     cluding a proposed plan for mental health equity and

1 assisting students most in need of mental health  
2 services;

3 (4) a description of how such eligible entity will  
4 involve, as appropriate, students and peer represent-  
5 atives in the planning, implementation, and evalua-  
6 tion processes;

7 (5) a description of how such eligible entity will  
8 support other students and the school community if  
9 a student dies by suicide;

10 (6) a plan to—

11 (A) implement the activities described in  
12 subsection (c); and

13 (B) evaluate the outcomes of such activi-  
14 ties; and

15 (7) an assurance that such eligible entity will  
16 submit to the Secretary, for each fiscal year in which  
17 grant funds are used, a report with respect to—

18 (A) the activities carried out under sub-  
19 section (c); and

20 (B) the outcomes of such activities.

21 (c) GRANT USES.—A grant awarded under this sec-  
22 tion may only be used, with respect to high school students  
23 served by an eligible entity, for—

24 (1) evaluating existing program activities and  
25 prevention strategies;

- 1                         (2) educational seminars;
- 2                         (3) educational awareness campaign materials
- 3                         for students, families of students, and school staff to
- 4                         increase the awareness of potential mental and be-
- 5                         havioral health issues of students;
- 6                         (4) peer-to-peer program support;
- 7                         (5) programs that assist schools in adopting a
- 8                         public health approach to mental health;
- 9                         (6) social media applications used for mental
- 10                         and behavioral health purposes, such as suicide risk
- 11                         and mental health screenings;
- 12                         (7) providing mental health services for stu-
- 13                         dents through telehealth;
- 14                         (8) training programs for students and high
- 15                         school teachers, school leaders, and other school per-
- 16                         sonnel to learn to respond effectively to students
- 17                         with mental health and behavioral health issues that
- 18                         can lead to school failure, including depression, anx-
- 19                         iety, substance abuse, and suicide attempts; and
- 20                         (9) the creation of an infrastructure to facili-
- 21                         tate communication between high schools served by
- 22                         a local educational agency or State educational agen-
- 23                         cy that does not have mental health services, includ-
- 24                         ing health care providers who can treat mental
- 25                         health and behavioral health issues.

1           (d) MATCHING REQUIREMENT.—

2           (1) IN GENERAL.—An eligible entity receiving a  
3           grant under this section shall provide non-Federal  
4           matching funds (including funds from donations  
5           from public or private entities) equal to the amount  
6           of the grant.

7           (2) DETERMINATION OF AMOUNT CONTRIB-  
8           UTED.—

9           (A) IN-KIND SUPPORT.—Non-Federal  
10          matching funds described in paragraph (1) may  
11          include cash or in-kind support.

12          (B) FEDERAL SUPPORT.—Amounts pro-  
13          vided by the Federal Government, or services  
14          assisted or subsidized to any significant extent  
15          by the Federal Government may not be in-  
16          cluded when determining the amount of non-  
17          Federal matching funds provided.

18          (3) WAIVER.—The Secretary may waive the  
19          matching funds requirement of paragraph (1) with  
20          respect to a grant made to an eligible entity under  
21          this section if the Secretary determines that such eli-  
22          gible entity has demonstrated extraordinary need for  
23          such a waiver.

24          (e) STUDY AND REPORT.—

1                         (1) STUDY.—For each fiscal year during which  
2 grants are awarded under this section, the Secretary  
3 shall conduct a study on the results of the grant  
4 program.

5                         (2) REPORT.—For each study conducted under  
6 paragraph (1), the Secretary shall submit to Con-  
7 gress a report on the results of such study, includ-  
8 ing—

9                             (A) an evaluation of the outcomes of the  
10 grant program, including a summary of activi-  
11 ties carried out by eligible entities and the re-  
12 sults of such activities; and

13                             (B) recommendations with respect to im-  
14 proving access to mental health and behavioral  
15 heath services at high schools, including efforts  
16 to reduce the occurrence of suicide and sub-  
17 stance abuse.

18                         (f) DEFINITIONS.—In this section:

19                             (1) ELIGIBLE ENTITY.—The term “eligible enti-  
20 ty” means a local educational agency or State edu-  
21 cational agency that serves at least one secondary  
22 school.

23                             (2) ESEA TERMS.—The terms “high school”,  
24 “local educational agency”, “secondary school”, and  
25 “State educational agency” have the meanings given

1 such terms in section 8101 of the Elementary and  
2 Secondary Education Act of 1965 (20 U.S.C. 7801).

3 (3) SECRETARY.—The term “Secretary” means  
4 the Secretary of Health and Human Services, in  
5 consultation with the Secretary of Education and  
6 the heads of other appropriate agencies.
